Dear Drs. Shim and Kern,

The Professional Teaching Standards Board (PTSB) finalized the program review for the Physical Education (PHET) educator preparation program at the University of Wyoming. The full committee report can be found attached with this letter.

After considering the Program Review committee's recommendations, the Board voted for continued program approval at its meeting on March 21, 2023. Specifically, the PHET program is approved until its next scheduled review in the 2029-2030 academic year.

On behalf of the review committee and the Board, I thank you and your program staff for working together with PTSB in order to provide the necessary documentation for a thorough review of the program allowing the Board to make this important decision.

Sincerely,

A handwritten signature in blue ink that reads "Brendan H. O'Connor".
